Starter Package

Company Ready to Go

This is the ideal package for setting up business structures for digital nomads and those who want to become one.

Our Package

The package includes the establishment of the company as a corporation (Private Limited Company), preferably in the United Kingdom or Ireland, with the establishment of a business address.

Official mail from commercial registers, tax authorities and courts are scanned and delivered electronically.

Further counselling and representation before authorities can be arranged on a case-by-case basis. This additional support ensures that all official requirements are met and that your company can operate smoothly.

The company is founded with a standard statute and a type of share, which simplifies and speeds up the process.

We are happy to represent you competently before the authorities so that you can concentrate fully on your business - regardless of where you live.

Foundation Fee: Company Ready to Go

- Company Formation in London or Ireland 
- Company address optionally in London, Dublin, Cork, ...
Mail from official bodies (commercial register, tax authorities, courts, ...) is scanned 
- Further counselling and representation before authorities can be arranged on a case-by-case basis 
- Incorporation with standard articles of association and 1 type of shares 

one-time USD 800

StartUp Package

All Administrative Procedures

Our StartUp package offers you everything you need for a successful start.

Our Package

Our StartUp package is perfectly tailored to the needs of new companies. It offers all the services you need to set up your company efficiently and run it successfully.

All administrative formalities: We take care of all administrative formalities for you and ensure that all the necessary documents are submitted correctly. This includes:

- **Company Address:** You can choose a prestigious company address in London, Dublin or Cork.
- **Mail Processing:** All mail from official bodies (commercial register, tax authorities, courts, etc.) will be scanned and forwarded to you by e-mail. Mail can also be forwarded worldwide on request.
- **Required Submissions:** We take care of all the necessary submissions to the authorities. This includes the submission of annual financial statements, tax returns and other relevant documents.
- **Professional response to Official Mail:** We will answer official mail professionally by power of attorney. We will represent you before the authorities if necessary.
- **Providing of a qualified Company Secretary:** We provide you with a qualified Company Secretary who will take over all administrative tasks and ensure that all legal requirements are met.
- **Deadline Monitoring:** We remind you of all important deadlines for submissions (e.g. balance sheet) and take care of most submissions directly for you.
- **Types of Shares:** You have the choice between several types of shares, such as regular shares and preference shares.
- **Foundation with Model Articles of Association or small customisation:** Model articles of association are used for incorporation, but minor adaptations are also possible to meet the specific needs of your company.

Our accounting services and StartUp package ensure that your company is well positioned right from the start well positioned from the outset and that all official requirements are easily met. We offer you comprehensive support so that you can concentrate on the essentials - the success of your company.

YOUR AFFAIRS IN GOOD HANDS

As an international business consultancy, we support you, our clients, in all organisational matters, acting as an intermediary but also as a protective barrier between you and the tax authorities. We are an independent and competent advisor who will reliably assist you with your organisational and business matters. Regardless of whether it is a matter of day-to-day business, keeping your books or structuring your business activities abroad - we cover the entire spectrum of our profession.

In order to earn your trust, we attach great importance to efficient office management, and the monitoring of our activities through our sophisticated quality management system. Our certified development team has also programmed our own flexible accounting system.

Our highly qualified employees consistently undergo further training, to keep up to date with the latest developments. This enables us to meet current and future requirements flexibly at all times and fulfil them. Because representing your interests is important to us.
