Proof of Priority

Project to prove your priority copyrights.

The SourceWeb CopyProof protects your ideas and works from access by third parties by documenting the time of creation.

The decisive advantage of this:
You receive official proof of your authorship, which you can use in the event of a dispute.
You automatically acquire copyright when you create a work. But in the event of theft of ideas or plagiarism, you need proof - and SourceWeb CopyProof provides it.

Continuous Further Development

A NEW PROJECT IS PUBLISHED EVERY TWO MONTHS.

Our developers are constantly working on new projects.
A new project is released every other month,
which can be distributed by our MLM-Partners.

With every project development, we pay close attention
detailed market analysis, such as

- Definition of the Target Market
- Analysis of Market Size and Development
- Analysis of the Competitive Landscape
- Analysis of Customer Industries
- Potential Analysis

This is why our digital products are always one-of-a-kind (unique),
so that they can be marketed successfully.

If you would like to support us in this,
please feel free to contact us.

SourceWeb International AG
